

## THE QUICK SCAN ...

- Your question: What are the major plus and minus points in the annual report?
- Your benefit: A brief rundown of strong and weak points of the PDF or HTML report
- The price: **Euro 500 or US\$ 580 or £ 450**

The Quick Scan is provided via email only (no printed version sent). It is an affordable way to have a glance at report pluses and minuses, e.g. for non- or pre-listed companies or first-time users.

### To place your order, thank you for ticking off:
